**Please be sure to sign up with Wendy or Nancy**

### **Back to Basics -Where it all begins! 7/31 1 session**

Take the first step and join the computer world that affects our everyday lives! Computers can be fun and an extremely helpful avenue for research on any subject via the internet (the information highway). We will help you get past the fear of using a computer. Just remember it can only do what you command it to do! You are in charge!

## August Classes

### **Navigating the Internet 8/1 1 session**

It's just a click away! Learn how it works and how to use the internet for research, shopping, banking, news, travel, health, games, sports and so much more! You will learn how to navigate around a website, parts of the homepage, how to use search engines and keywords too.

This a great refresher course too!
